TITOLI

Black deal of men on the human collapse.

Break down persons through forced fusion of masses.

Calm water of mind before to go in the storm.

Commemoration of liars to the lost world.

Darkness project in global sequence.

Fire game and theatrical war on states and cities.

Greedy mouths on the night of helpless people.

Long travel to the doors of foolish planning.

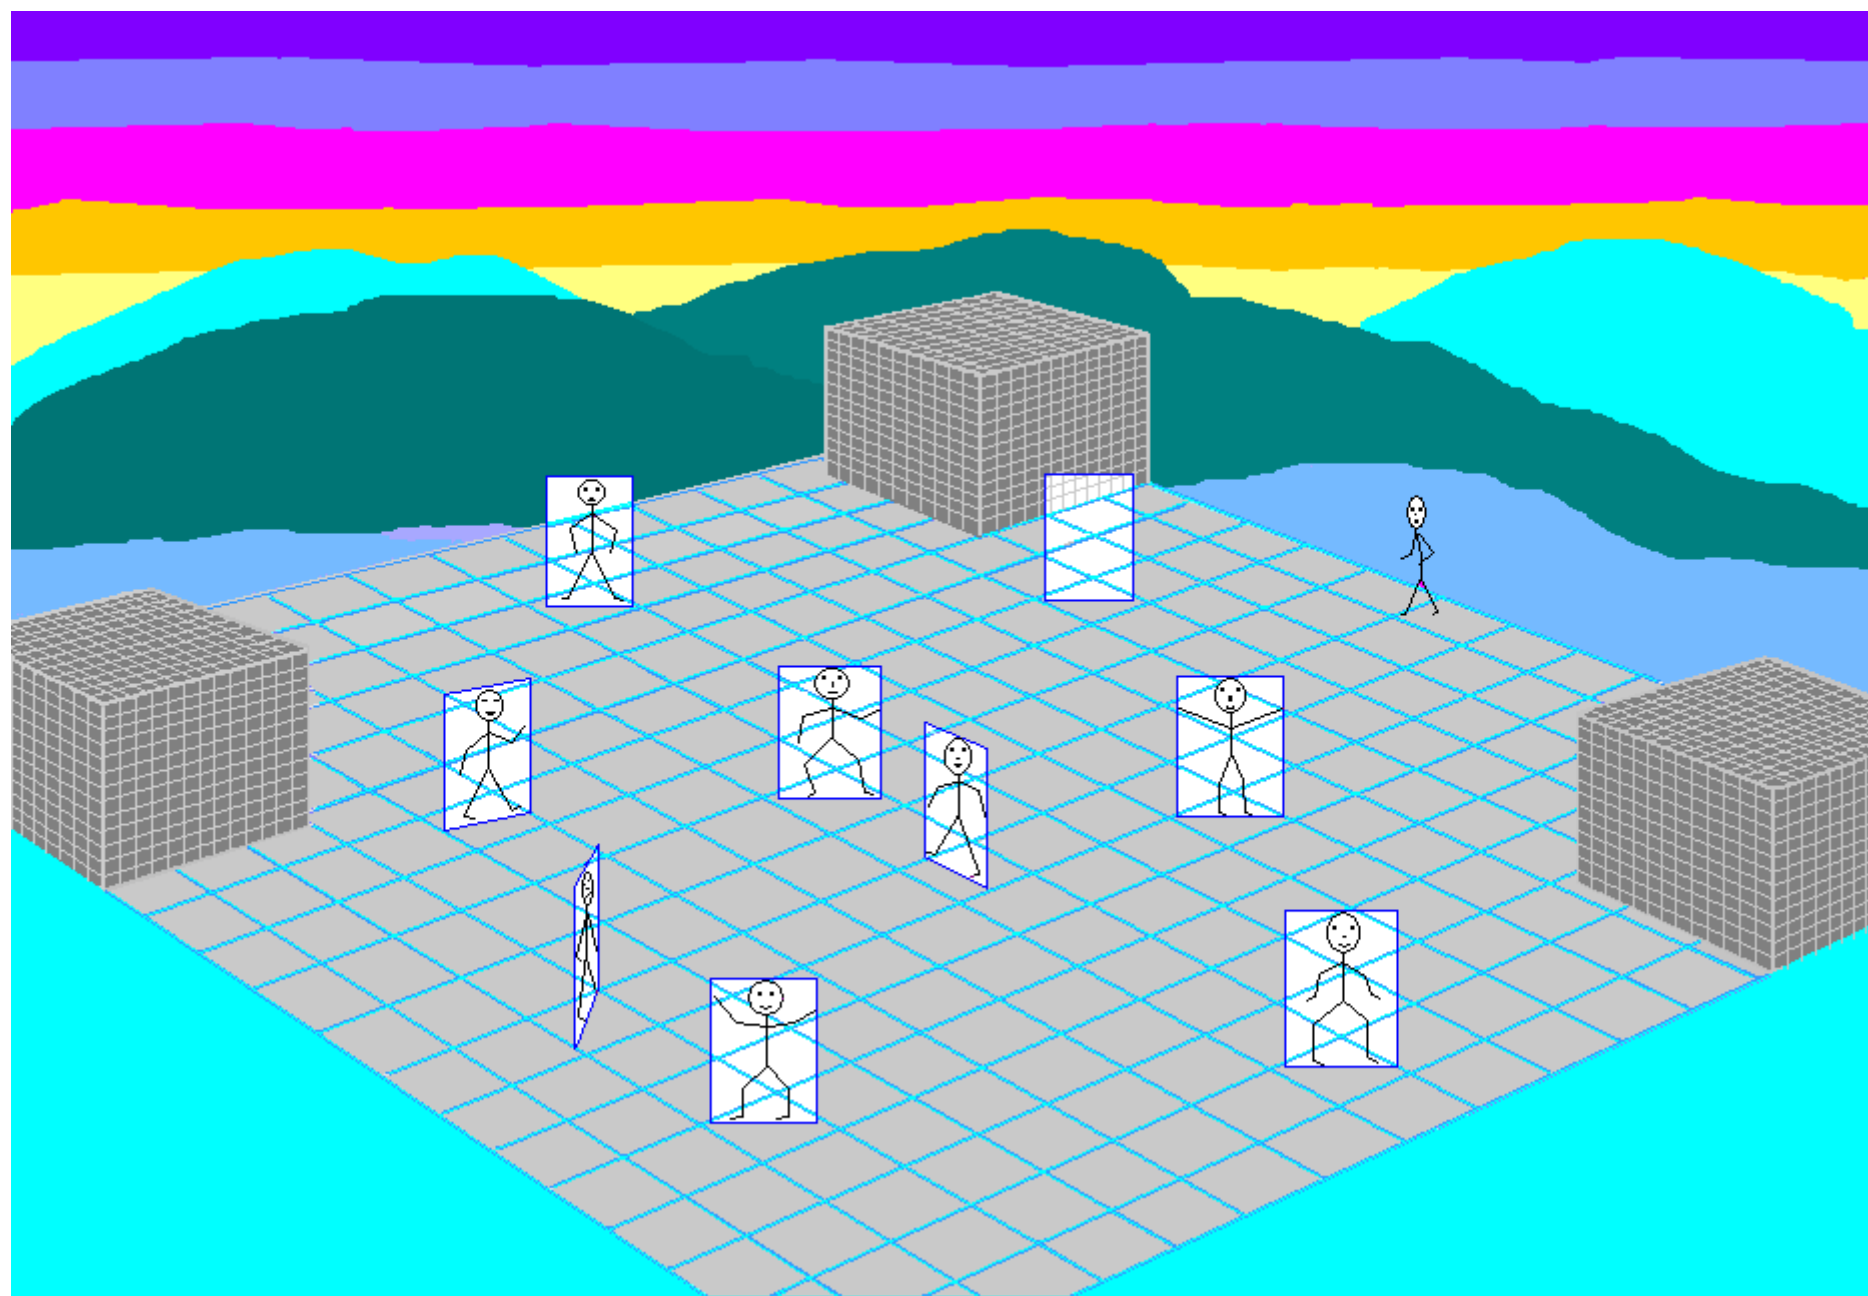

Magnetic wave and uncontrolled emotion of people.

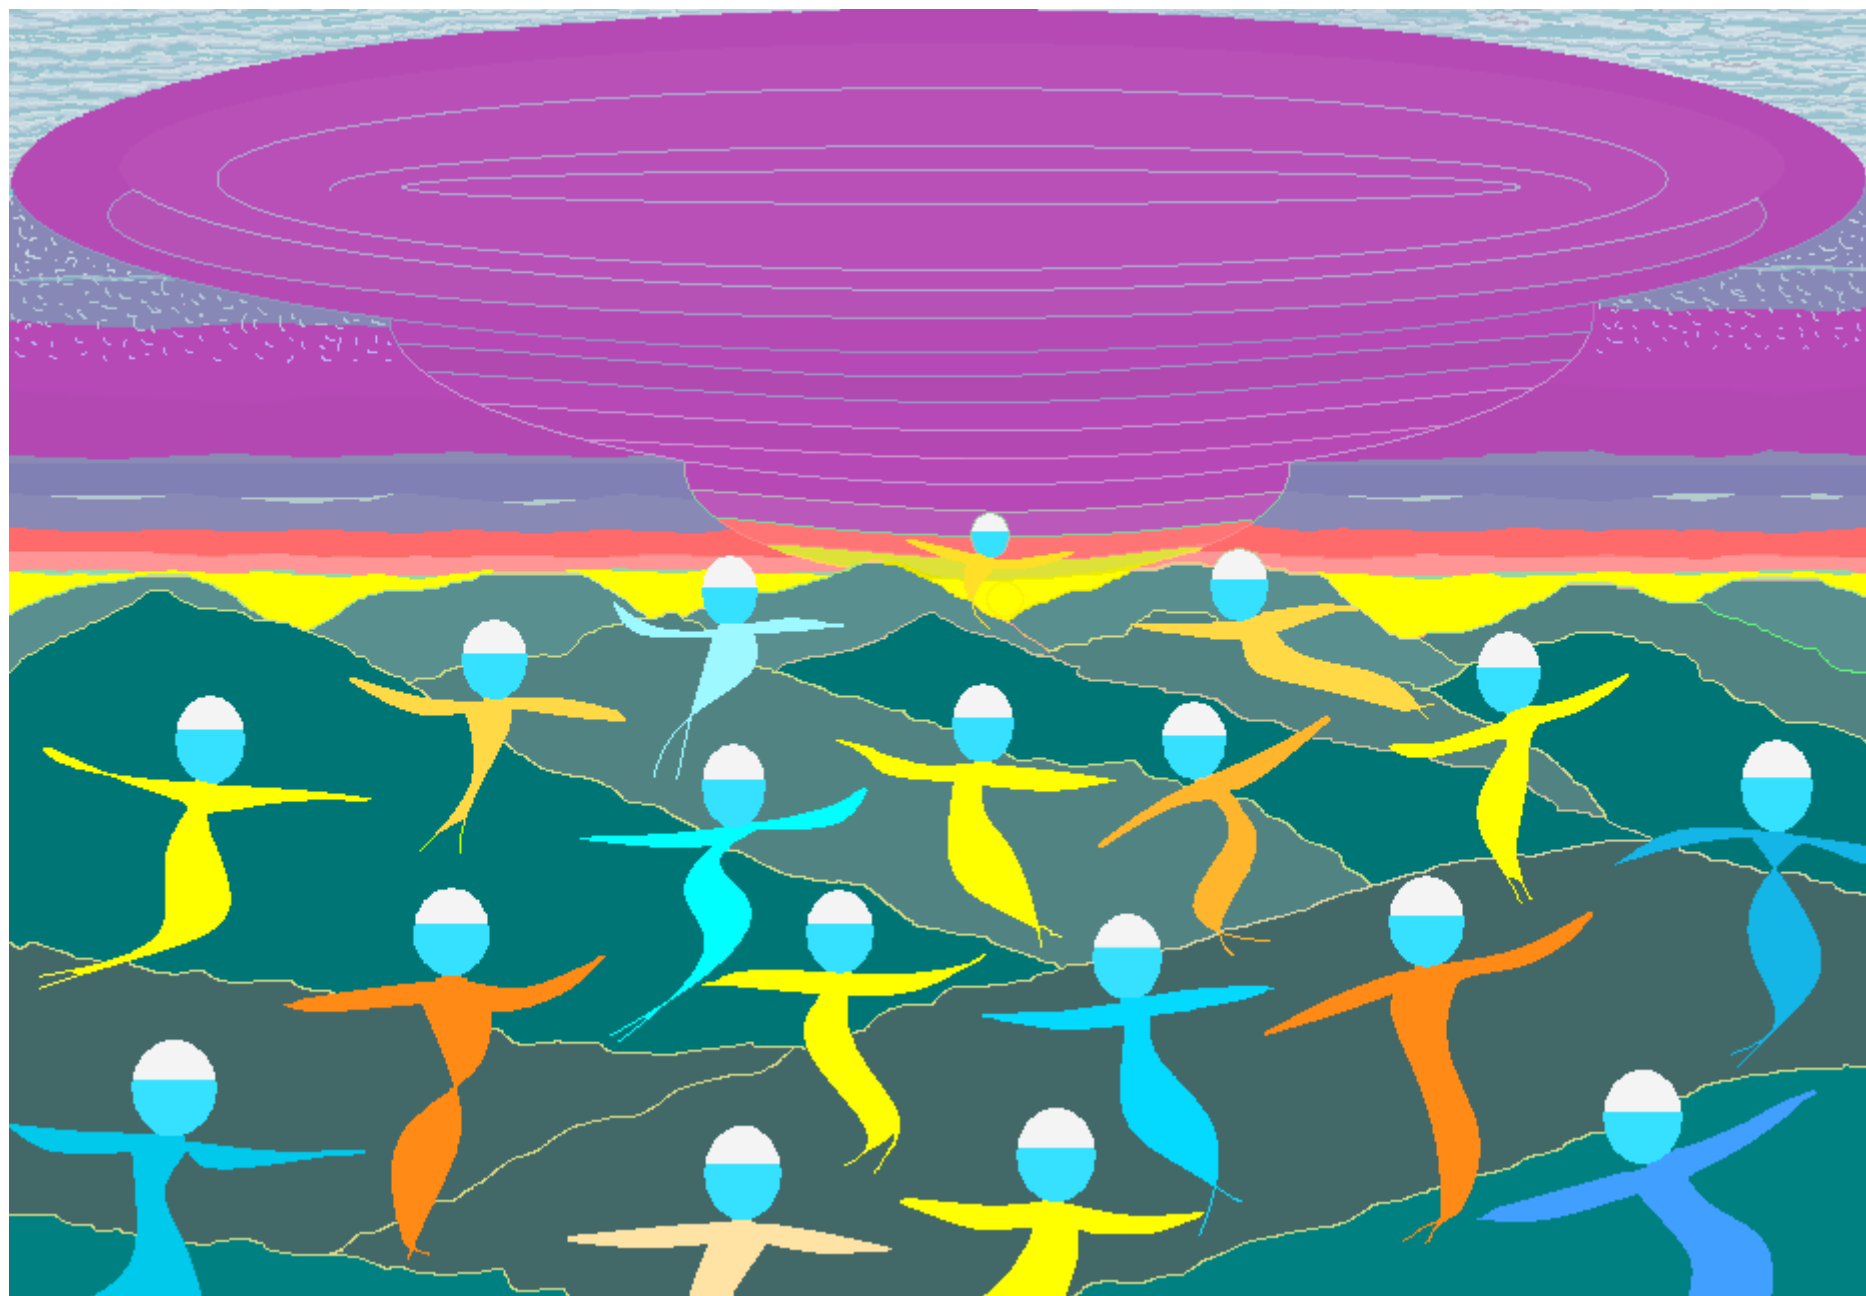

Playing time over fate of next centuries.

Right freedom will must raise again.

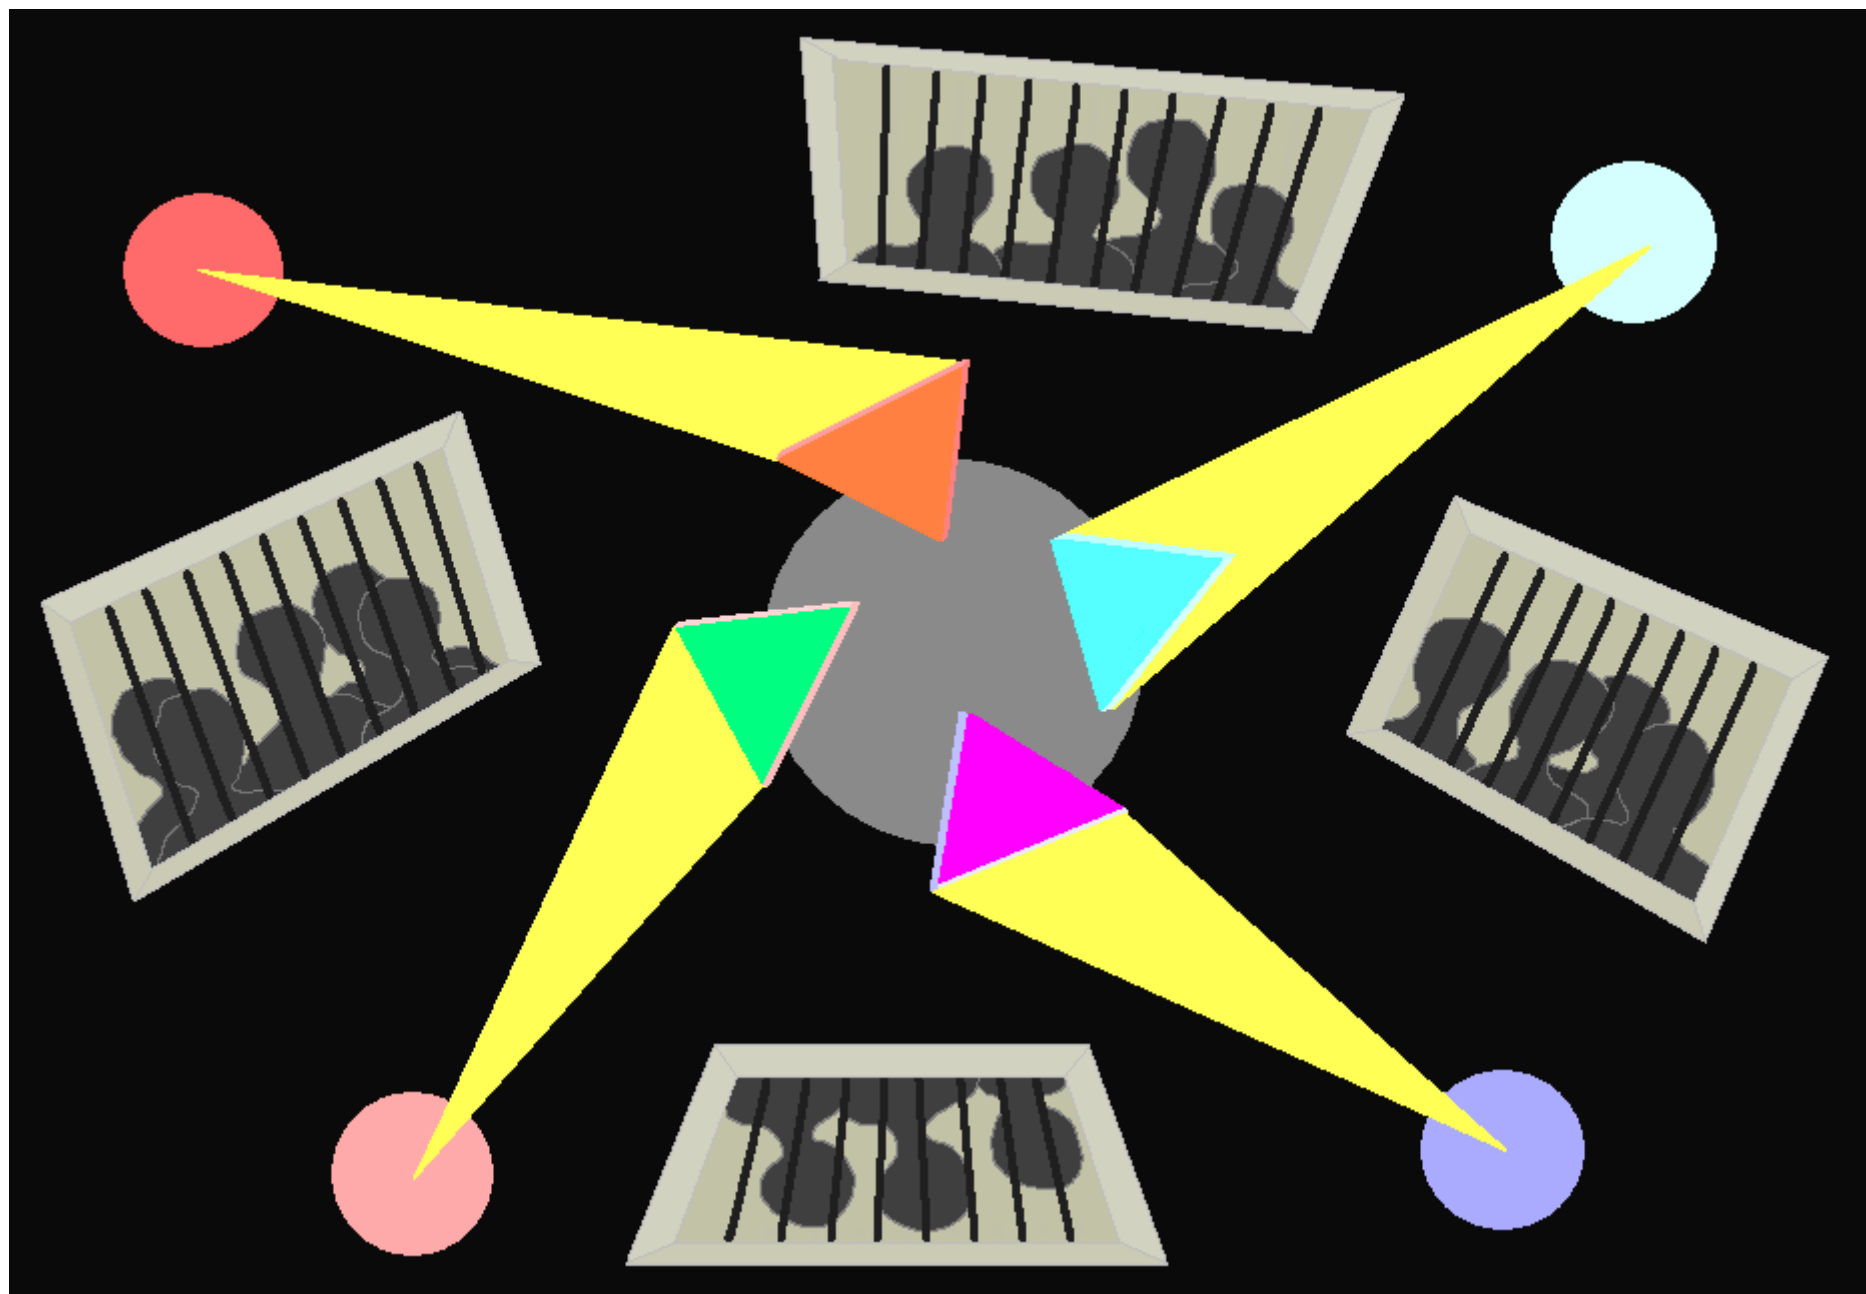

Secret convention to decide destiny of the world.
